Fees include all applicable taxes

Children under 6 years of age must be accompanied by an adult in the water at all times.

Family Swims require an adult in the water directly supervising all children under the age of 18.

Programs may be changed or combined to assure maximum convenience and pool use.

#### Swim Lesson Policies

Please make sure your child has been introduced to the pool setting and feels somewhat comfortable in the water prior to registering for lessons. Family swims are excellent for this exposure. If you have doubts about committing to a full session, then private lessons may be helpful in determining your child's readiness for group lessons.

Refunds will be given (minus a \$5.00 processing fee) for program withdrawals before the first day of class. Once the session begins, a maximum of 1/2 of the session fee will be refunded, for medical reasons only. Requests must be accompanied by doctor's note. Prorated fees may be given after the session has begun. This will only be done during the first week and based on availability.

Class changes may not be possible. Students will be challenged at their personal level in current class.

Minimum class is three (3) students. Maximum class size is six (6) students. Class levels may be combined in order to offer the class.

Instructor requests are not guaranteed; substitute instructors may be necessary for a class to be held.

Only the Tukwila Metropolitan Park District program instructors are allowed to use the Tukwila Pool to instruct individuals and groups. Coaches of teams that are currently renting space from the Tukwila Pool may arrange rental space for private instruction.

### Minnow 1

### Water Walking

Water Walking is an excellent low impact way to enjoy the pool without having to get your hair wet. Water provides 3 times the resistance of air allowing water walkers to burn more calories than if they were walking on land. Water Walking also provides a great opportunity to catch up with friends while getting in some physical activity. We will do our best to accommodate any water walkers who would like to walk during water aerobics or swimming lesson class times.
